THE GARDEN

PROTECTED RAW METAL, LASER CUT FROM A SHEET 2 MM THICK

“A rose is a rose is a rose”

(Gertrude Stein)

And a pomegranate is a pomegranate is a pomegranate.

And a lemon is a lemon is a lemon.

And a palm is a palm is a palm.

The Garden: Palm, Pomgranate, Lemon and Rose in raw metal protected, laser-cut from a sheet of 2mm thickness.

It is a very small and limited series of glass and metal objects, to represent the seasonality, life and death of our products.

A permanently evolving intimate workshop of objects appear and disappear.

Ph. Michele De Lucchi, Luca Tamburlini / Polifemo fotografia (still lifes on white background)
