TRASPARENT AND SATIN FINISH BLOWN GLASS, GREY PAINTED AND SATIN
FINISH NICKEL METAL

◀ 1

◀ 5

The glass bubble is blown with masterly skill, remembering the design and fragile consistency of Japanese paper lanterns. The faceted surfaces evoke the sculptural tastes of Isamu Noguchi and his work on tradition as the desire for a genuine, delicate world.

Ph. Michele De Lucchi, Luca Tamburlini / Polifemo Fotografia (still lifes on white background)

Material / Finishings

Perseo 44, Perseo 28
